About the Product: JM BUSH Diversified Fund

This is a specialist all-equity fund managed to beat targeted JSE Shareholder-Weighted Equity Index (JSE SWIX).

Product Description

The JM BUSHA Diversified Equity Fund is a well-diversified listed equity fund, whose security screening process for inclusion in the portfolio is multi-stage and thorough.

Investment Securities

The fund invests in listed equities only with a maximum of 5% in cash for strategic asset allocation purposes at any time.

Investment Strategy

The fund's benchmark is JSE/FTSE Swix Index. The strategy is to actively manage the portfolio to out-perform the benchmark by 3% pa on a risk adjusted basis. Risk is managed through diversification and derivative overlays. Diversification is centred on income and geographical spread. The shares invested in - must have at least three (3) distinct income streams and operate in at least three (3) different geographical regions or countries. This reduces product concentration / market risk and isolates regional or country risk – such as legislation, operating and regulatory costs.

Commentary & Notes

The Equity market continues to struggle to curb the negative returns for the year to date, although the JSE had a massive overturn this month. Surprisingly the overwhelming sentiment brought on by the Ramaphosa presidency is finding it difficult to transmit into the real economy.
